Your Instructors:

LYNDA McCARRELL:

During her 20 plus years as a Voice Over Agent in the Los Angeles area. Lynda has had the pleasure of working with some of the top talents in the field (Brad Garrett, Pat Carroll, Don LaFontaine, Pat Fraley) and the list goes on. Not only has she enjoyed success as an Agent a teacher and coach, she has also been given the opportunity to share her expertise with students "Guiding a talent from where they are to where they want to be is an exciting challenge".

Lynda is currently the Head of the Voice Over department at the Daniel Hoff Agency in Los Angeles, Ca.

She also teaches Master Classes and conducts seminars across the country with her teaching partner Nicolas Omana.

Class meets in the world-class recording facilities of

2127 Hawkins Street, Charlotte, NC 28203

NICHOLAS OMANA:

Has been making his living doing voice overs for nearly 25 years in Los Angeles. Nick's talents have been heard on spots for Clorox, Dole, Excedrin, GMC Trucks, L.L. Bean, National Association of Realtors, Oregon State Lottery, Verizon Wireless and has done countless TV promos for CBS, FOX Cable Net. and the WB. Nick brings all of his practical experience "working in the trenches" to the various voice over workshops that he teaches. Some of Nick's students have gone on to be the voice of Ford, Dr. Pepper, Petco, Chili's and many others.

Who knows..you might be next.

Class size is limited and is \$ 350.00 for the day.
